by car

Coming from Stuttgart

Take the A8 motorway to the Autobahndreieck Karlsruhe motorway junction, then change to the A5 motorway, heading for Frankfurt. Take the Karlsruhe/Durlach exit and head for Karlsruhe. Stay in the right-hand lane on Durlacher Allee, keep straight ahead, drive under the railway bridge, and then turn right into "Am Badenwerk" immediately after the EnBW building.

Coming from Frankfurt or Basel

Take the A5 motorway to the Karlsruhe/Durlach exit and head for Karlsruhe. Stay in the right-hand lane on Durlacher Allee, keep straight ahead, drive under the railway bridge, and then turn right into "Am Badenwerk" immediately after the EnBW building.

Coming from Landau/Wörth

Proceed on the B10, which becomes the Südtangente (southern ringroad, K9657), to the Oststadt/Stadion exit. Wolfartsweierer Straße takes you to Ostring (eastern ringroad) which leads directly to the EnBW building after the railway line. Turn left at the junction into Durlacher Allee and then immediately to the right into "Am Badenwerk".

Or you leave the B10 federal highway earlier – at the Grünwinkel exit, heading for Karlsruhe Mitte (centre). Then follow Kriegsstraße (B10) and Kapellenstraße up to the Durlacher Tor junction. There, you turn right into Durlacher Allee, move into the left-hand lane and, at the second junction, turn left into Tullastraße, then right into Gerwigstraße, and right again into "Am Badenwerk".

by public transport

From Hauptbahnhof Karlsruhe (central railway station), take tramway line number 2 (Wolfartsweierer) to the "Tullastraße" stop. From there, it is three minutes on foot along Durlacher Allee (left side, heading for Durlach) to the EnBW building.
