

# EnBW Supplier Portal – Registration Quick Guide

1. In order to use the portal, you must first register. To register, please visit the following address on the Internet:  
<https://www.enbw.com/lieferantenportal>

The screenshot shows the EnBW supplier portal homepage. At the top, it says "Welcome to the EnBW supplier portal". Below this, there are three main sections: "Your access to convenient service for suppliers", "Contact", and "Please note".

**Your access to convenient service for suppliers**

Our service – Your advantage: Conveniently record, maintain and control pre-qualification, all tendering and contract documents, orders, deliveries and invoices via the supplier portal.

The documents for the **General Terms of Purchase** can be found at the bottom of the page under [Downloads](#).

**Please note:**

The EnBW Supplier Portal is optimised for Internet Explorer up to Version 11. With other browsers a flawless use cannot be guaranteed.

**Contact**

Purchasing and Logistics  
Energie Baden-Württemberg AG  
76180 Karlsruhe

Your first contact at purchasing: [Einkauf@enbw.com](mailto:Einkauf@enbw.com)  
Technical questions and support: [einkaufsysteme@enbw.com](mailto:einkaufsysteme@enbw.com)

Now you can send the registration request, The successful sending of your registration request is displayed.

## EnBW Supplier Portal – Registration Quick Guide

### 3. Complete the registration.

1.

For data protection reasons you will receive 2 e-mails:

- an e-mail with your temporary user-ID and an URL-Link for your initial registration into the EnBW Supplier Portal
- A second e-mail with your temporary password.

2.

Please click on the link in the e-mail using the temporary user-ID. After entering the user-ID and password you will be directed to the user registration by clicking on the „Log-In“ button.

3.

#### Create Your Administrator Account

\* User:

\* Password:

\* Confirm Password:

The contact details are automatically taken from the registration request. Your user name and password are freely selectable.

4.

Please create another user for a colleague from your company and give him administrator rights so that he can represent you in case of vacation or illness. You can then create additional users.
