- (2) ¹The Chair of the Supervisory Board chairs the General Meeting, and determines both the sequence of items on the agenda and the manner and form of voting. ²The result of a vote may also be calculated by subtracting the yes or no votes and the abstentions from the total number of votes to which the voting shareholders participating in the General Meeting are entitled. ³The Chair of the Meeting is entitled to limit temporarily the shareholders' rights to pose questions and to speak as appropriate. ⁴In particular, they may determine the time frame of the meeting, the discussion on the various items on the agenda, and the individual questions and speeches as appropriate.

Art. 18 Adoption of Resolutions by the General Meeting

- (1) ¹Resolutions of the General Meeting require a majority of the votes cast (simple majority), unless the law or these Articles of Association stipulate a larger majority or further requirements. ²If the law requires a higher majority of the votes cast or of the share capital represented for the adoption of a resolution, a simple majority is sufficient in cases in which the law leaves it to the Articles of Association to determine the procedure. ³Each bearer share is equivalent to one vote.
