## **EnBW ends rating by Fitch**

Karlsruhe. EnBW is today ending its rating by the agency Fitch, who has evaluated EnBW for the first time in May 2009.

Since the added value of a third agency can currently only be proven to a limited extent, EnBW considers a dual rating to be appropriate.

The ratings of the two largest agencies, Moody's (A3, outlook negative) and Standard & Poor's (A-, outlook stable), remain unchanged. Standard & Poor's has rated EnBW's credit standing since December 2000, Moody's since January 2002.
